What is CARE?

The Center For Animal Research and Education was founded as a NON-profit organization in 2003 to provide for the rescue, rehabilitation, and holistic nurturing of sick, injured, and abused Big Cats. CARE is dedicated to providing these majestic creatures with a safe habitat so they can live with dignity and comfort.

The Cat's?

CARE provides safe haven to over 50 big cats including African Lions, White and Orange Tigers, Black and Spotted Leopards, Cougars and a rare Snow Leopard.

How Can You Help?

CARE is a non-profit organization run by volunteers. During this time of economic turmoil, it is especially difficult for sanctuaries, like CARE, who rely on public support. We invite you to help keep the cats' wonderful home. Please join us by giving a gift to the big cats. For more information about CARE's giving programs, please see www.bigcatcare.org.
